Global Test-Taking Tips

Read each question carefully

Show What You Know:

Answer the questions you are sure of first and go back to others.

Mark the Answer:

To each multiple choice question by filling in the correct bubble in your answer booklet.

For Constructed-Response Questions:

Make sure your work fits in the space provided. NOTE: You may use scratch paper as a draft for your response.

Check: To see if you are answering the question in the right place.

You May Underline or use a highlighter: in the Test Booklet but not in the Answer Booklet.

Keep Working Until You Reach the "Stop" Sign for the Session.

It is located on the bottom right corner of the page in both the Test Booklet and the Answer Booklet.

When You Finish a Test Session:

You may check your work in that session only.

Place Your Answer Booklet Inside Your Test Booklet:

You may read silently until the next session
