

Tenderfoot Academy: Title I Requirements for Family Engagement

Attendees will learn how to design a basic Family Engagement (Parental Involvement) program which meets the federal requirements as outlined in the ESEA/NCLB Consolidated Application and in Title I Monitoring conducted by the OPI and the US Department of Education (USED). This workshop will include information on how to design an effective School-Parent Compact, current best practices recommended by USED, how to successfully complete your ESEA/NCLB Consolidated Application, and how to maintain a portfolio of the Family Engagement activities required to pass a federal monitoring of your Title I program.
