1. Graduated with a regular high school diploma as defined under the IDEA Section 618 State-reported data: These students exited an educational program through receipt of a high school diploma identical to that for which students without disabilities are eligible. These students met the same standards for graduation as those for students without disabilities. As defined in 34 CFR 300.102(a)(3)(iv), "the term regular high school diploma does not include an alternative degree that is not fully aligned with the state's academic standards, such as a certificate or GED."
