

Tobacco Free School District of Excellence – Policy Assessment

This guide is intended to help school district officials gather and assess policy with the intent of gaining “Tobacco Free School District of Excellence” status.

- Prohibits all forms of tobacco use (including electronic cigarettes) on school property (even in vehicles) at all times by everyone.
[8225 typically covers it \(Supporting policies 4330 - 4330P – 4332\)](#)
- Prohibits student possession of all tobacco products on school property.
[3310 typically covers it \(Supporting policies 3231 – 3231P\)](#)
- Prohibits tobacco use at off campus school sponsored events.
[3310 typically covers it \(Supporting policies 3340 – 3510 – 5430\)](#)
- Includes procedures for communicating tobacco free policy. How do people know that smoking is not allowed when they’re on school property or at a school sponsored activity?
[Campus wide signage, student/staff handbooks, school event announcements, newsletters etc.](#)
- Includes measures for enforcement and disciplinary procedures for violations.
[3310 and/or 8225 \(Supporting policies 3231 – 3300 – 3340\)](#)
- Prohibits clothing with tobacco reference/promotion.
[Student / Staff Handbook](#)
- Prohibits tobacco industry marketing items, advertising and sponsorship.
[2322 – 3221 – 4331 – 7332](#)
- Provides tobacco use prevention education for students and training for teachers.
[2120 - Further specified in health or other district curriculum](#)
- Provides cessation referral information for students and staff.
[2140 - Sometimes handbooks or code of conduct](#)

Please contact OPI with questions, concerns or to expedite your district’s assessment.
